Botanical Gardens

The extensive Quilombo botanical gardens & agricultural station, were created in 1907 and are considered the sanctuary of biodiversity in this region.

Kalandula Falls

The majestic Kalandula Falls are one of the largest waterfalls by volume in Africa. At an amazing height of 105m they are a rival to Victoria Falls.

“Casa do Gaiato”

CASA DO GAIATO

The “Casa do Gaiato” is an orphanage for boys only in Malanje which also has a small chapel. We could perhaps be lucky to hear the congregation singing in the local dialect.

Pedras Negras

"Black Rocks"

The fascinating Black Rocks at Pungo Andongo are between 200 and 250 million years old. Also at this magnificent site we will see the famous footprint of Rainha (Queen) Nzinga.
