Waku Kungo

“Matriz Church”

Built in the second half of the 20th century, it's considered one of the most beautiful religious architectures of its age in Angola. It's a national historical and cultural heritage and a faithful copy of the original, built in Portugal in Santa Comba Dão.

Mount Moco

At 2,620 meters (8,600 ft), is the highest mountain in Angola. It's in Huambo Province in the western part of the country. It is also one of the seven wonders of Angola.

Mount Moco “Summit”

This is going to be a long walk, with a little bit of escalating with an amazing view and if we're lucky we might even see some endemic birds.

Mount Moco “Camping”

**Sleeping area, nothing better than
sleeping with the sounds of the nature.**
